**REMARKS TO PETITION TO REVIVE UNINTENTIONALLY
ABANDONED APPLICATION UNDER 37 C.F.R. § 1.137(b)**

MAIL STOP PETITIONS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants petition for the revival of the above-captioned application.

It is believed that a fee of \$1,620.00 is required to cover cost of filing this petition. The Commissioner is authorized to deduct such fees from Williams, Morgan & Amerson's P.C.'s Deposit Account 50-0786/2000.057000. Applicants respectfully request that this fee be waived due to the fact that the error the caused the abandonment is not on the part of Applicants. If any additional fee(s) is(are) required for any reason, the Commissioner is authorized to deduct such fees from Williams, Morgan & Amerson's P.C.'s Deposit Account 50-0786/2000.057000.

The entire delay associated with the abandonment of this Application was unintentional.

In short, the Office mailed a Notice of Allowance unbeknownst to Applicants on June 30, 2009. Applicants did not receive the Notice of Allowance, and thus Applicants were never in a position to respond. Applicants have thoroughly investigated internal records and have verified that Applicants have not received the Notice of Allowance, and thus, no response was filed. As such, the Office held the Application Abandoned. Applicants respectfully submit that the Application was unintentionally abandoned and hereby request that the Application be revived.

PAIR records now reflect the following for the time period in question: On April 13, 2009 The Office Received Applicants' timely filed response to the Office Action dated January 6, 2009. Applicants submitted an IDS therewith. On June 30, 2009, the Office mailed a Notice of Allowance, unbeknownst to Applicants. As indicated above, neither Applicants nor Applicants' representative received the Notice of Allowance in the mail. Subsequently, the Office mailed the Notice of Abandonment to Applicants representative. A supplemental amendment was filed electronically by the undersigned. This amendment was filed within 3 months of the mailing of the Final Office action and fully 3 months before the date set for abandonment of the instant application.

Applicants received an Office Action dated January 6, 2009, in which the Examiner indicated that the pending claims would be in condition for allowance if certain rejections under 35 U.S.C. §112 were overcome. Applicants submitted a timely filed response (dated April 6, 2009) to the Jan. 6 Office Action including amendments and arguments believed by Applicants to be sufficient to overcome the Examiner's rejections under 35 U.S.C. §112. Subsequent to the filing of the response (dated April 6, 2009), Applicants received no further Actions from the Office concerning the instant Application until the Notice of Abandonment (dated October 13, 2009) was received from the Office. Upon receipt of the Notice of Abandonment (dated October 13, 2009), Applicants checked PAIR and discovered a Notice of Allowance (dated June 30, 2009) had been

issued by the Office. Applicants then conducted a thorough investigation to determine whether the Notice of Allowance was received. Applicants assert that the Notice of Allowance (dated June 30, 2009) was never received in the mail by Applicants at the correspondence address on file with the Office. As such, the abandonment of the instant Application is due in no part to any error on the part of Applicants. Applicants maintain that this file was unintentionally abandoned, and Applicants request that the fee for reviving this Application be waived.

Upon learning of the alleged abandonment, the undersigned took prompt, appropriate action to file this Petition. Applicants conducted a thorough investigation, including checking docketing records, physical files, mail searches, etc. The undersigned reviewed the MPEP and applicable sections of Title 37 C.F.R. Once a course of action was determined, this petition and relevant papers were promptly prepared and submitted to the Office. For at least the aforementioned reasons, Applicants believe that the entire delay in paying the required issue fee, from the due date for the payment until the filing of the present grantable petition under 37 C.F.R. §1.137(b), was unintentional, and additionally, was due in to part to Applicants' error and/or actions.

Accordingly, Applicants respectfully request that U.S. Patent Application No. 10/044,667 be revived pursuant to 37 C.F.R. § 1.137. It is Applicants' position that this Application was not intentionally abandoned by Applicant. Applicants include herein the required Issue Fee and Publication Fee as well as evidence from Applicants' representative's reliable docketing software that the Notice of Allowance was never received.

Because this utility Application was filed on or after June 8, 1995, no terminal disclaimer is required. **The Examiner is requested to call the undersigned attorney** at the Houston, Texas telephone number (713) 934-4069 with any questions relating to this filing.

Respectfully submitted,

WILLIAMS, MORGAN & AMERSON, P.C.
